**Hygiene and food & drinks safety:**

At our resort we do our utmost to maintain hygiene and food and drinks safety. Because of this our operation is continuously supervised and controlled on very regular bases by "CRISTAL – International standards", a certified and registered hygiene inspection company.

**Room inventory:**

All our guestrooms are fully equipped up to our Red Sea Hotels standard. To prevent unpleasant situations upon check-out we kindly request you to report broken or missing guestroom items well in advance.

As per fire and safety regulations it is neither allowed to smoke in the hotel rooms nor to use water pipe in the balcony, room or non-designated hotel areas.

**Note:** Drone is not allowed to use in the hotel territory
